David Shaffer, City Forester  
City of Bethlehem  
10 E. Church Street  
Bethlehem, PA 18018

Dear Mr. Shaffer,

The Bethlehem Environmental Advisory Council welcomes you in your new position as City Forester. At our monthly meetings we discuss a wide variety of topics in the environmental sphere, such as climate action, greening of our city and spotted lanternflies. Given your new position, we invite you to join us for one of our meetings so that we may meet, learn about the City's Forestry Dept. and see where our interests coincide.

If you are able, the EAC meets on the first Thursday of every month, 7pm at Illick's Mill, 100 Illick's Mill Road in Bethlehem. We are usually joined by others in the community and always have a good dialogue. Please let us know if you're able to attend one of our meetings.

We look forward to assisting your department in any way possible. Please feel free to contact us at [lynn@therothmans.info](mailto:lynn@therothmans.info).

Respectfully yours,

*Lynn Rothman*
